Attention: Possible Processing Issue for Cycle 1890

Please be aware that eMedNY is currently experiencing system issues that may delay the processing of some managed care claims submitted in cycle 1890 (start date of 10/31/13). It is anticipated that the issues will be resolved within the current cycle and Medicaid payments to managed care organizations should not be affected. If you have any questions please contact the Call Center at 800-343-9000.

If you are having problems viewing content within this newsletter, please email emednyalert@csc.com for further assistance.
