National Diabetes Prevention Program (NDPP) Medicaid Enrollment Webinar Available

The Department of Health announces the availability of provider training for the New York State Medicaid program's coverage of the Centers for Disease Control and Prevention (CDC) National Diabetes Prevention Program (NDPP).

The **NDPP Medicaid Enrollment webinar** is intended to familiarize providers and their staff with the Medicaid Fee-For-Service enrollment process and review the resources available to accomplish enrollment successfully. The webinar will be an overview of the different enrollment processes for Individual Providers, Community Based Organizations (CBOs), Group Practices and Hospital / Clinic providers interested in enrolling in the NDPP.

Registrations for the NDPP Enrollment webinar are currently being accepted for the following session:

- **March 3rd, 2020 at 10:00 AM**

The session will include time for questions and answers.

Providers are able to attend training from their own location using their computer and telephone.

Click [here](#) to view the training schedule and register today. Questions regarding this webinar can be directed to the eMedNY Call Center at 800-343-9000.
