#### Attention All Providers:

The Provider Training section of [www.emedny.org](http://www.emedny.org) has been updated. Providers can now view upcoming training sessions in multiple views:

- Calendar View
- Table View
- Print View

You can filter (select for viewing) webinars and seminars results by location and/or category.

Please visit the new page to view upcoming training sessions on a variety of Medicaid billing topics. CSC offers webinars, a convenient training alternative that allows providers and billing staff to attend training using their computer and telephone without leaving the office.
