New Family Planning Benefit Program Service Available November 1, 2012

Effective November 1, 2012, transportation will be a service available through the Family Planning Benefit Program (FPBP). Medicaid will reimburse the most appropriate mode of transportation required to transport an eligible enrollee to a FPBP covered service. Providers should consult the Transportation Manual to obtain information regarding transportation policy guidelines, procedures and the county contact list. That manual can be accessed at:
<http://www.emedny.org/ProviderManuals/Transportation/index.html>.
