Electronic Visit Verification (EVV) Home Health Care Services (HHCS) Implementation Webinar and HHCS Codes Posted

The New York State Department of Health (Department) is hosting a webinar on Electronic Visit Verification (EVV) for the upcoming home health care services (HHCS) EVV implementation. During the webinar, the Department will provide a high level overview of EVV and information on the inclusion of home health care services (HHCS) which will be subject to NYS EVV requirements beginning January 1, 2023.

The webinar is scheduled for December 8, 2021 at 11am. Registration is required to attend the webinar; please register at the link here: <https://meetny.webex.com/meetny/onstage/g.php?MTID=e7815a8b29a4c74bc19a5e932edf9542d>

In addition to the webinar, the Department has posted a draft list of applicable HHCS billing codes subject to EVV on the [EVV website](#). Providers are encouraged to review the draft list and provide any relevant feedback to NYSDOH at EVVHelp@health.ny.gov by December 15, 2021. After all feedback has been reviewed, NYSDOH will publish a finalized list of EVV-applicable billing codes that adds the HHCS codes to the finalized PCS codes.

Please send any questions to EVVHelp@health.ny.gov. We look forward to continued collaboration with the EVV stakeholder community.
