Dear Nursing Home Transition and Diversion (NHTD) and Traumatic Brain Injury (TBI) Waiver Providers:

This notice is to inform you that the New York State Department of Health (NYSDOH) has adjusted the NHTD and TBI service of Home and Community Support Services (HCSS) hourly rates to address the planned minimum wage related increases pursuant to New York Minimum Wage regulations Labor Laws 656 and 652 effective January 1, 2017. These rate increases, effective January 1, 2023 impact all counties except New York City (Bronx, Kings, New York, Queens and Richmond) and Nassau, Suffolk and Westchester counties. Effected rate codes are: NHTD 9795 and TBI 9881, 9882 and 9883.

These rates will be active in eMedNY as of cycle 2377, which is your EFT remittance date of March 13, 2023 scheduled with a check release date of March 29, 2023. Medicaid claims previously submitted will automatically reprocess and produce a retroactive payment. Please review your remittance with particular attention to this service (rate codes specified above) for specific information on the retro payments.

Note: No claim adjustments are needed by the provider.

For specific billing questions contact eMedNY directly at: 1-800-343-9000.
