New Requirements for All Billing Providers to Begin on August 22, 2013

As previously announced the NYS Department of Health will soon require all billing providers to sign up for electronic funds transfer (EFT) payments and either Electronic Remittance Advice (ERA) or a PDF version of the paper remittance delivered via eMedNY eXchange.

This requirement will apply to existing providers as their current ETIN Certification is renewed over the next year. The recertification notices sent by eMedNY will alert providers if they are required to sign up for EFT and/or ERA or PDF remittances.

For new providers who submit enrollment applications as of August 23, 2013. Please visit www.emedny.org on or after this date for information and instructions for enrolling new providers. Please pay careful attention to the new requirement for a Certification Statement and an EFT Application to accompany each new enrollment packet for billing providers. For more information click [here](#).

In order to unsubscribe from individual announcements based on provider type, please use the unsubscribe feature on https://www.emedny.org/Listserv/eMedNY_Email_Alert_System.aspx
