New Medicaid Eligibility Verification System (MEVS) and Dispensing Validation System (DVS) Manual Now Available

New Medicaid Eligibility Verification System (MEVS) and Dispensing Validation System (DVS) Manual Now Available

Effective July 21, 2011, major changes will be made to the Medicaid Eligibility Verification and Dispensing Validation Systems. Some of these changes include:

- Substantial changes to the responses to eligibility requests
- Elimination of the current Service Authorization (SA) process
- Changes in handling co-pay.

These changes will affect all methods of accessing eligibility on eMedNY, including ePACES, telephone (Audio Response Unit), VeriFone POS terminal, or X12 270 or 278 transaction requests.
