This notice is to re-inform you that the planned 2% across the board reduction called for in the enacted NYS **2011-12** Budget affecting most Medicaid payments was rescinded for TBI and NHTD Waiver Program Providers.

- [Notification of 2% Across the Board Retroactive Adjustment, November, 18, 2011](#)

However, due to savings found in other areas at that time, 2% reductions in payment to waiver providers were not deemed necessary.

This notice rectifies misinformation and confusion regarding these previously anticipated cuts. If you have questions please contact the waiver programs at TBI@health.ny.gov or nhtdwaiver@health.ny.gov.
