MULTIPLE CLAIMS SUBMSSION FOR THE SAME SERVICE

MULTIPLE CLAIMS SUBMSSION FOR THE SAME SERVICE

Effective April 25, 2019, a new edit for multiple claim submissions for the same service will be implemented.

18 NYCRR 540.6 states that any returned claim not correctly resubmitted within 60 days or on the **second resubmission** is neither valid nor enforceable against the department or social services district.

Based on the regulation above, all claim errors must be corrected by the third submission (the original and two subsequent resubmissions) in order to be paid. A new edit - eMedNY edit "02292" (claim submission limit exceeded) will be set to deny for all claim types after the second claim resubmission. HIPAA reason code 273 will be reported on the 835 remittances for denials arising from this edit.

For questions or assistance in determining the reason for denial of a claim, please contact the eMedNY call center at (800) 343-9000.
