### Attention: ePACES Eligibility Verification Display Change

On 7/25/2019, the ePACES eligibility verification display changed for Health Home (HH) and Care Coordination Organizations (CCO/HH) RRE Codes. During this update it came to our attention that the HH, Care Management Agency (CMA), and CCO/HH are being identified as a managed care plan in the "Medicaid Managed Care" field. HH, CMA and CCO/HH are not managed care plans, they provide care management services. A correction to the display is forthcoming.
