

**REMINDER  
DME PROVIDERS  
PHARMACISTS AND PRESCRIBERS**

**Approximately 1.5 million beneficiaries continue to access  
prescription drug and medical supply benefits through the  
Medicaid FFS program**

**Pharmacy and DME providers should continue to bill Medicaid for  
these claims**

While pharmacy benefits for the majority of Medicaid beneficiaries were bundled into managed care effective October 1, 2011, ***approximately 1.5 million beneficiaries continue to access drug and supply benefits through the Medicaid FFS program.*** Beneficiaries that are not currently enrolled in a mainstream\* managed care plan will continue to obtain these benefits from Medicaid until such time that they are moved into managed care or care management. In addition, for dual eligible beneficiaries enrolled in both Medicaid and Medicare Part D plans, Medicaid will reimburse only for eligible drugs in classes excluded by Medicare.

\*NOTE: \* The following partial capitated managed care and managed long term care plans **are not included** and continue to obtain drug and supply benefits from Medicaid fee for service :

- Southern Tier Pediatrics PC
- Southern Tier Priority HC
- Gold Choice (UB Family Med)
- VNS Choice
- Hebrew Hospital Home, Inc
- Senior Network Health LLC
- Partners in Community Care
- Health Advantage Plan Inc
- GuildNet
- Independent Care Systems
- Senior Health Partners Inc
- Total Aging in Place
- Amerigroup Community Connections
- CCM Select
- Wellcare of NY MLTC
- Elderserve
- Elderplan dba Homefirst

***For billing purposes, beneficiaries remaining in the fee-for-service program will continue to present their Medicaid card at the pharmacy or DME provider.***
