

Update to the NYS Medicaid Fee-for-Service (FFS) Preferred Diabetic Supply Program

Effective December 7, 2018, the NYS Medicaid FFS Preferred Diabetic Supply Program (PDSP) will be expanded to include products in the following categories:

Continuous Glucose Monitors:

- Preferred-
 - ✓ Free Style Libre (monthly supplies and meters)
 - ✓ Dexcom G6 (monthly supplies and meters)

Insulin Pumps:

- Preferred-
 - ✓ Omnipod (monthly supplies and meters)

Preferred products do not require a prior authorization when billed via the National Council for Prescription Drug Program (NCPDP) format. The product must be billed using the National Drug Code (NDC). More information on the PDSP can be found here:

<https://newyork.fhsc.com/providers/diabeticsupplies.asp>.

To request a non-preferred product, the provider must utilize the durable medical equipment (DME) Prior Approval process, and bill via the Healthcare Common Procedure Coding System (HCPCS) codes on the DME (professional) claim type.

Billing guidance for DME/supply products can be found at:

https://www.emedny.org/ProviderManuals/DME/PDFS/DME_Billing_Guidelines.pdf.

HCPCS codes and limits can be found here:

<https://www.emedny.org/ProviderManuals/DME/index.aspx>.

For questions on the Preferred Diabetic Supply Program Policy, call (518) 486-3209 or send and email to ppno@health.ny.gov.

For questions on non-preferred DME and supplies, call the Office of Health Insurance Programs Operations (DME) at (800) 342-3005.
