Subject: New York State Medicaid is preparing a list of software vendors

Dear Vendor,

The New York State Medicaid Fiscal Agent, Computer Sciences Corporation, is preparing a list of software vendors capable of supporting the HIPAA electronic transactions for New York State Medicaid Providers.

Upon completion of a testing process you can send an email with 'VENDOR LIST INFORMATION' in the Subject line to the email addressee referenced below, listing your verified transaction capabilities. After confirmation your organization will be added to the list.

Thank you for your attention.

Regards,

nyhipaadesk@csc.com
