

Listing of Software Vendors for NYS Medicaid Solutions

New York State Department of Health does not certify software vendors for HIPAA-compliant transactions and does not recommend specific software vendors. However a list of software vendors who have successfully submitted production HIPAA transactions to NYS Medicaid appears below.

This list is updated periodically. If your organization produces software for producing and processing HIPAA compliant transactions, you can click here to...

[Request to be added to this list \(or update listed information\)](#)

Software Vendors List Disclaimer

By posting a list of software vendors on its nyhipaadesk.com website New York State Department of Health (NYSDOH), its affiliates and agents neither endorse nor recommend any company, organization, individual, or product. NYSDOH, its affiliates and agents have no interest in any of the listed parties and have no arrangement to promote their businesses or products. Furthermore, being Included in the list does not constitute a certification or guarantee of the usefulness, quality or value of any listed party's services or products. Being Included in the list is subject to review by the New York State Department of Health, Office of Health Insurance Programs.
