Executive Deputy Commissioner

Dear Applicant:

Thank you for your interest in enrolling in the New York State Medicaid Program.

Participation in the New York State Medicaid Program is an important undertaking. Therefore, we want to make you aware of the following factors concerning your potential enrollment as a provider:

- An enrollment application does **not** guarantee enrollment in the Medicaid Program.
- If your application is approved, the effective date of your enrollment will be specified by the Department.
- All of the information reported by you on the application will be verified by the Department before your acceptance into the Medicaid Program.
- All enrollments, ownership changes, previous terminations and sanctions are subject to further review.
- Subsequent requests for information concerning your application must receive a response within the time frames specified by the Department or your application is subject to termination.
- Enrollment may be denied for failure to accurately or completely disclose information during the application process and for any other factors the Department determines to be applicable.

New York State Medicaid Regulations allow the Department 90 calendar days after receipt of a complete application to determine whether to enroll an applicant in the program.

When you are enrolled in the program, you will receive a letter informing you of your acceptance and the effective date of your enrollment.

The Medicaid Update may also be accessed online at www.eMedNY.org. Click Information, then DOH Medicaid Update Website.

As a Medicaid provider you agree to comply with the rules, regulations and official directives of the Department, including but not limited to Part 504 of 18 NYCRR which can be found at the Department of Health's website, www.health.state.ny.us.

In addition, pursuant to 42 CFR §455.105, by enrolling in the Medicaid Program, you are entering into an agreement with the NYS Department of Health by which you agree to and may be requested to provide the following information within 35 days upon request by the Department or the Secretary of Health and Human Services.

1. The ownership of any subcontractor with whom you have had business transactions totaling more than \$25,000 during the 12 month period ending on the date of the request; and
2. Any significant business transactions between you and any wholly owned supplier, or between you and any subcontractor, during the 5 year period ending on the date of the request.

If you have any questions, please contact the eMedNY Call Center at (800) 343-9000.
