

HIPAA-2 Announcement

Official Final Rules adopting updated HIPAA transactions and code sets as well as requiring modifications to the medical data code set standards were published in the Federal Register on 1/16/2009. The documents may be obtained at the following links:

Transactions: X12 and NCPDP

<http://edocket.access.gpo.gov/2009/pdf/E9-740.pdf>

Code Sets: ICD-10-CM and ICD-10-PCS

<http://edocket.access.gpo.gov/2009/pdf/E9-743.pdf>

Providers and their vendors are urged to review these regulations and start preparing for the changes. The Regulations have implementation date requirements. CSC is in the process of assessing the changes for eMedNY and will be providing periodic updates via the eMedNY.ORG web site.
