e-Prescriber Payments to be Issued By eMedNY

To encourage the use of e-Prescribing, New York State law authorizes the payment of an incentive to eligible medical practitioners for each approved ambulatory Medicaid e-prescription plus a maximum of five refills per prescription. Incentive payments have been sent to providers for e-scripts through December 2011.

In Cycle 1830 (check dated 9/17/12, release/mail date 10/3/12), the e-Prescriber incentive payments for first and second quarter 2012 will be issued by eMedNY, and appear as a financial transaction (lump-sum payment) on the provider's Medicaid remittance statement. On the remittance (paper or electronic) the financial control number (FCN) will appear as LSE to indicate an e-Prescribing payment.

Questions can be directed to the eMedNY Call Center at (800) 343-9000.
