Reminder: Provider Training Opportunities Still Available

The eMedNY Training Schedule for September is available.

There is still time to register for September seminars and webinars. If you are new to Medicaid billing, need training or have questions, please consider attending a session.

Some of the topics offered include:

- ePACES for Dental, Institutional, Nursing Home, Professional (Real-Time), Physician, and Transportation.
- eMedNY Website Review
- New Provider/ New Biller

Seminars are a valuable opportunity to meet personally with eMedNY Regional Representatives in your area. eMedNY training seminars are being held at several locations throughout New York State.

eMedNY also offers webinars, a convenient training alternative that allows providers to attend training using their own computers and telephone.

Click [here](#) to view the training schedule and register today. Questions can be directed to the eMedNY Call Center at 800-343-9000.

Please note: *Review the training schedule carefully to determine if a session is an in-person seminar or an on-line webinar. In-person seminars are identified by the presence of a city location.*
