Overview
The Claim Status Inquiry function allows the User to inquire about the status of claims currently in the NYS Medicaid’s adjudication process. The Claim Status Inquiry requests process in real-time, providing a response within a few moments that may be viewed in the Status Response worklist. It is important to refine your inquiry as much as possible because the inquiry will return claims that match the search criteria. ePACES will return the last 10 adjudicated claims in response to an inquiry. Note: Status Inquiry will check the status of claims sent in electronically or on paper. For more detailed information, please see the Help Documentation available on the eMEDNY website: https://www.emedny.org/selfhelp/ePACES/ePACES_Help.pdf

**Note:** The Status Inquiry returns the last 10 adjudicated claims that match the criteria. The initial Claim Status Inquiry screen displays again with the additional message that the inquiries have been submitted. You may begin another inquiry for another Client ID. To view the response, go to the Status Response link on the Main page.

**Claim Status Inquiry**

The Claim Status Activity work list, a list of claims submitted within the last 24 hours, is displayed. The screen shot below shows a partial list of claims associated with this Provider. You may sort the claims by clicking on the green arrows in the column headers or by selecting a category from the drop down list and entering the specific text to search for in the blank field to obtain a subset of claims. Click on Go to execute the search. You may use this method to obtain the status of claims submitted more than 24 hours previously.

You may also click in the boxes under the Add to Inquiry column to select specific claims from the list presented.

**Claim Status Inquiry**

ePACES will display the following screen indicating that the number of inquiries sent.

Your search will yield a subset of the full claim list. As before, you may sort by any column with a green arrow.

**Status**
Claims may have one of four possible statuses:
- **Sent** – The Request was sent but no response was received from the payer.
- **Received** – Response received from payer but not yet viewed by the User.
- **Viewed** – Response was viewed by the User.
- **Worked** – The Response from the payer was reviewed and the necessary follow-up, if any, completed.

**VIEWING A CLAIM STATUS RESPONSE**
After the Claim Status Inquiry is received, you may view the returned claim information by clicking on the hyperlinked Client Name in the Claim Status Activity work list. If you do, and multiple responses have been received, a page will be displayed containing the Client details along with a list of claims that matched the submitted Search criteria.

**PATIENT**
The top portion of the page will contain the Client ID and Name to allow you to validate the correct Client ID was used for the Claim Status Inquiry.

**CLAIM LEVEL INFORMATION**
- **Payer Claim Control #:** This is the TCN number assigned to the claim, which appears on your remittance statement. If multiple claims matched your search criteria, there will be clickable links to obtain the status of that claim. The status inquiry returns the last 10 adjudicated claims.
- **Total Claim Charge Amount:** This value represents the total claim charge amount.
- **Paid Amount:** This value represents the total claim payment amount. If the claim has not been finalized for payment or payment has not been authorized, this field will remain blank.
- **Dates of Service:** This is the service date range as entered on the original claim.
- **Status Effective Date:** This date represents the effective date for the associated claim status.
- **Remittance Trace #:** The remittance number or EFT Trace Number (if the claim has been paid) will be listed here.
- **Remittance Date:** The release date for the remittance or the EFT funds (if the claim has been paid) will be listed here.
- **Claim Level Status:** The codes and descriptions for Claim Status and Claim Status Category codes.
- **Bill Type:** This value identifies the type of facility where the services were performed.
- **Patient Control #:** The Patient Control Number submitted on the claim. This may be referred to the Patient Account Number in the provider’s billing system.
- **Pharmacy Control #:** If a pharmacy control number was entered on the claim, it will display here.
