Reminder for Dental Providers

In accordance with MRT 1458: Care Management Population and Benefit Expansion, Access to Services, and Consumer Rights:

All Dental services, other than orthodontia, become part of the Medicaid Managed Care (MC) benefit package effective July 1, 2012. Orthodontic services will transition to managed care on October 1, 2012.

Dental office staff will be able to identify that a patient is covered by Medicaid Managed Care if the MEVS/Eligibility Response returns that the coverage is "PCP Eligible." The response will also include the Plan Name, address and the telephone number.
