Web Training Scheduled To Guide Providers Especially Practitioners and Group Practices in Submitting Newly Required EFT and ERA or PDF Remittance Advice Requests Forms

As previously announced the NYS Department of Health now requires all billing providers to sign up for EFT and either ERA or PDF remittances. Enrolled providers have begun receiving notices with their annual Certification Statement indicating whether they need to enroll in EFT and/or ERA/PDF remittances in addition to submitting the signed and notarized Certification Statement.

Sessions will explain how non-billing practitioners can request an exemption from the requirement. CSC will also provide guidance for the correct completion of the EFT and Remittance Advice Request forms.

CSC will be holding a series of webinars to guide providers through the process and answer any questions related to the new requirement. Click [here](#) to register.

If you are having problems viewing content within this newsletter, please email emednyalert@csc.com for further assistance.

The Department has attempted to ensure that the information contained in these notifications is as accurate as possible. However, no e-mail transmittals or materials provided are intended to constitute legal or medical advice.
