EHR Incentive Program Announcement

Registration will open soon for the NY Medicaid EHR Incentive Program. Under this program, eligible Medicaid providers who adopt, implement, or upgrade certified EHR technology, and subsequently demonstrate meaningful use of that technology, may receive federal incentive payments. Providers and staff who wish to be informed as further information is released are encouraged to register for one or both of the new **eMedNY Listserv categories** set up for the EHR Incentive Program.

For more details on the Medicaid EHR Incentive Program, please visit the following page on the Department of Health website:
