Are You Receiving the Medicaid Update?

The Medicaid Update is the official newsletter of the New York State Medicaid program. It educates providers on significant policy and program changes, billing procedures, changes in reimbursement, changes in recipient eligibility, etc. The newsletter is delivered electronically to over 49,000 members on a monthly basis. It is imperative that all Medicaid providers receive the newsletter to ensure they are kept abreast of Medicaid policy and billing procedures changes. Providers who are not currently receiving the newsletter electronically should sign up immediately by emailing their request to: medicaidupdate@health.state.ny.us
