eMedNY Provider Training Seminars and Webinars Available

The eMedNY Training Schedule for June is now available. Registrations for seminars and webinars are currently being accepted.

Some of the topics offered include:

- ePACES for Dental, Institutional, Professional (Real-Time), Nursing Home, Physician, and Transportation
- ePACES Coordination of Benefits Billing for Professional and Clinic
- New Provider/New Biller
- Medicaid Eligibility Verification Systems (MEVS)
- *Physician Revalidation

Seminars are a valuable opportunity to meet personally with eMedNY Regional Representatives in your area. eMedNY training seminars are being held at the following locations:

- NYC
- Canandaigua
- Poughkeepsie
- Hauppauge
- Fort Edward

eMedNY also offers webinars, a convenient training alternative that allows providers to attend training using their own computers and telephone.

***Physician Revalidation webinars** are also planned for the upcoming quarter. New York State Medicaid sends a notification to providers when enrollment revalidation is required. The new course on Physician revalidation is intended to familiarize physician providers and their staff with the Medicaid enrollment revalidation process and review the resources available to accomplish revalidation successfully.
