1. Purpose Statement

The purpose of this document is to augment the General Billing Guidelines for institutional claims with the NYS Medicaid specific requirements and expectations for the Bridges to Health Waiver.

For providers new to NYS Medicaid, it is required to read the General Institutional Billing Guidelines available at www.emedny.org or by clicking: [General Insitutional Billing Guidelines](#).

2. Claims Submission

Bridges to Health Waiver providers can submit their claims to NYS Medicaid in electronic or paper formats.

2.1 Electronic Claims

Bridges to Health Waiver providers who choose to submit their Medicaid claims electronically are required to use the HIPAA 837 Institutional (837I) transaction.

2.2 Paper Claims

Bridges to Health Waiver providers who choose to submit their claims on paper forms must use the National Uniform Billing Committee (NUBC) UB-04 claim form.

To view a sample Bridges to Health Waiver UB-04 claim form, see Appendix A. The displayed claim form is a sample and is for illustration purposes only.

2.3 Bridges to Health Waiver Services Billing Instructions

This subsection of the Billing Guidelines covers the specific NYS Medicaid billing requirements for Bridges to Health Waiver providers. Although the instructions that follow are based on the UB-04 paper claim form, they are also intended as a guideline for electronic billers to find out what information they need to provide in their claims. For further electronic claim submission information, refer to the eMedNY 5010 Companion Guide which is available at www.emedny.org by clicking: [eMedNY Transaction Information Standard Companion Guide](#).

It is important that providers adhere to the instructions outlined below. Claims that do not conform to the eMedNY requirements as described throughout this document may be rejected, pending, or denied.

2.3.1 UB-04 Claim Form Field Instructions

Statement Covers Period From/Through (Form Locator 6)

837I Ref: Loop 2300 DTP03 when DTP01 = 434

Enter the date(s) of service claimed in accordance with the instructions provided below.

- **When billing for one date of service**, enter the date in the FROM box. The THROUGH box may contain the same date or may be left blank.
- **When billing for multiple dates of service for the same rate code**, enter the first service date of the billing period in the FROM box and the last service date in the THROUGH box. The FROM/THROUGH dates must be in the same calendar month. Instructions for billing multiple dates of service are provided below in Form Locators 42 – 47.

- *When billing for monthly rates*, only **one** date of service can be billed per claim form. Enter the date in the FROM box. The THROUGH box may contain the same date or may be left blank.

Dates must be entered in the format MMDDYYYY.

NOTES:

- *The provider's paper remittance statement will only contain the date of service in the "FROM" box with the total number of units for the sum of all dates of service reported below. Providers who receive an electronic 835 remittance will receive only the claim level dates of service (from and through) as reported on the incoming claim transaction.*
- *Claims must be submitted within 90 days of the date of service entered in this field unless acceptable circumstances for the delay can be documented. Information about billing claims over 90 days or two years from the Date of Service is available in the All Providers General Billing Guideline Information section available at www.emedny.org by clicking on the link to the webpage as follows: [Information for All Providers](#).*

Serv. Date (Form Locator 45)

837I Ref: Loop2400 DTP03 when DTP01 = 472

Services Furnished on a Monthly Basis

Submit using a date of service of the first day of the month following the service provision. For example, Health Care Integrator (HCI) services rendered during January are billed using February 1st.

Services Rendered During a Transfer Month

- For services rendered on the 1st half-month basis, use the first day of the month following the service provision as the date of service.
- For services rendered on the 2nd half monthly basis, use the second day of the month following the provision of services. For example, HCI services provided by the new HCIA during the last half of January are billed using February 2nd.

Services Rendered on a Daily, Hourly or 15 Minute Basis

Submit using the actual date the service was provided. For example, if Skill Building is provided on January 14th, then that day is used as the date of service.

Enter the service date corresponding to each iteration of a revenue code other than 0001. The dates entered here must be contained within the billing period (FROM/THROUGH) in Form Locator 6.

NOTE: If multiple dates of service for the same rate code are reported on multiple lines of the claim form, providers should be aware that the only date of service reported on the provider's remittance statement will be the date of service reported in FL 6 (the from date).

Serv. Units (Form Locator 46)

837I Ref: Loop2400 SV205

If billing for more than one unit of service, enter the number of units on the same line where a Revenue Code other than Revenue Code 0001 was entered in Form Locator 42. For determining the number of units, follow the guidelines below.

If the rate is based on increments, such as one-hour of service, enter the units that reflect the total Bridges to Health Waiver service time being claimed.

3. Remittance Advice

The Remittance Advice is an electronic, PDF or paper statement issued by eMedNY that contains the status of claim transactions processed by eMedNY during a specific reporting period. Statements contain the following information:

- A listing of all claims (identified by several items of information submitted on the claim) that have entered the computerized processing system during the corresponding cycle
- The status of each claim (denied, paid or pended) after processing
- The eMedNY edits (errors) that resulted in a claim denied or pended
- Subtotals and grand totals of claims and dollar amounts
- Other pertinent financial information such as recoupment, negative balances, etc.

The General Remittance Advice Guidelines contains information on selecting a remittance advice format, remittance sort options, and descriptions of the paper Remittance Advice layout. This document is available at www.emedny.org by clicking: [General Remittance Billing Guidelines](#)
