

Access to the Dental Manual page of eMedNY

Please note: The NYS Office of Health Insurance Programs contracts with the American Dental Association for rights to use ADA's 5-character *Current Dental Terminology* (CDT™) codes, nomenclature, and descriptor materials, which are copyrighted property of the American Dental Association. As part of our 2026 licensing agreement, **when you access the Dental Manual section in eMedNY, you will be directed to read and accept an end-user agreement.** This acknowledges an understanding that the ADA holds all copyright, trademark, and proprietary rights to CDT, in compliance with the requirement.
