

Discontinued Drug Coverage for Terminated Labelers per Medicaid National Drug Rebate Agreement

The Centers for Medicare and Medicaid Services (CMS), in compliance with Social Security Law Sec. 1927 [42 U.S.C. 1396r-8] (a), requires drug manufacturers to participate in the Medicaid Drug Rebate Program (MDRP) for their drugs to be eligible for coverage under the Medicaid program. **Prescribers and pharmacies are encouraged to assist members with a therapeutically equivalent generic, or to obtain a new prescription for an available alternative.**

Effective July 1, 2025, the following drug manufacturers voluntarily withdrew from participation in the [Medicaid Drug Rebate Program](#) (MDRP). As a result, NYRx, Medicaid Pharmacy Program will no longer provide coverage for drugs manufactured by the manufacturers listed below.
