

Discontinued Drug Coverage for Terminated Labelers per Medicaid National Drug Rebate Agreement

The Centers for Medicare and Medicaid Services (CMS), in compliance with Social Security Law Sec. 1927 [42 U.S.C. 1396r–8] (a), requires drug manufacturers to participate in the Medicaid Drug Rebate Program (MDRP) for their drugs to be eligible for coverage under the Medicaid program. Prescribers and pharmacies are encouraged to assist members with a therapeutically equivalent generic, or to obtain a new prescription for an available alternative.

Effective October 1, 2026, the following drug manufacturers voluntarily withdrew from participation in the Medicaid Drug Rebate Program www.medicaid.gov/medicaid/prescription-drugs/medicaid-drug-rebate-program/index.html. As a result, NYRx, the Medicaid Drug Program will no longer provide coverage for drugs manufactured by the manufacturers listed in Table 1.
