Helpful Tips for Office Staff:

- Access to patient chart or office-visit notes when requesting authorizations saves time.
- In order to prevent unnecessary delays, please ensure that the ordering physician has quick access to the patient chart during a follow-up call by the HealthHelp Medical Director. HealthHelp’s Medical Directors include board certified radiologists.

REMINDER: Please ensure you are entering the correct fax number or that the correct fax number is programmed in your system prior to sending a fax to avoid a HIPAA privacy incident.
