For eMedNY Billing Guideline questions, please contact the eMedNY Call Center 1-800-343-9000.

1. Purpose Statement

The purpose of this document is to augment the General Billing Guidelines for professional claims with the NYS Medicaid specific requirements and expectations for Rehabilitation services.

For providers new to NYS Medicaid, it is required to read the General Professional Billing Guidelines available at www.emedny.org by clicking: General Professional Billing Guidelines.

2. Claims Submission

Rehabilitation services providers can submit their claims to NYS Medicaid in electronic or paper formats.

2.1 Electronic Claims

Rehabilitation Services providers who choose to submit their Medicaid claims electronically are required to use the HIPAA 837 Professional (837P) transaction.

2.2 Paper Claims

Rehabilitation Services providers who choose to submit their claims on paper forms must use the New York State eMedNY-150003 claim form.

To view a sample eMedNY - 150003 claim form, see Appendix A below. The displayed claim form is a sample and is for illustration purposes only.

2.3 Rehabilitation Services Billing Instructions

This subsection of the Billing Guidelines covers the specific NYS Medicaid billing requirements for Rehabilitation Services providers. Although the instructions that follow are based on the eMedNY-150003 paper claim form, they are also intended as a guideline for electronic billers to find out what information they need to provide in their claims. For further electronic claim submission information, refer to the eMedNY 5010 Companion Guide which is available at www.emedny.org by clicking: eMedNY Transaction Information Standard Companion Guide.

It is important that providers adhere to the instructions outlined below. Claims that do not conform to the eMedNY requirements as described throughout this document may be rejected, pended, or denied.

2.3.1 eMedNY - 150003 Claim Form Field Instructions

Days or Units (Field 24I)

837P Ref: Loop 2400 SV104

For speech pathology treatment, each ½ hour equals 1 unit. For sessions in excess of ½ hour, indicate the number of ½ hour units provided. For example, for a 1½ hour session, enter 3 units.

Physical or Occupational Therapy

For physical/occupational therapy services, each 15 minutes equals 1 unit. For services in excess of 15 minutes (up to a maximum of 2 hours), indicate the number of 15-minute units provided. For example, a 1 hour physical/occupational therapy session, enter 4 units.

If only one unit of service was rendered, this field may be left blank.

3. Remittance Advice

The Remittance Advice is an electronic, PDF or paper statement issued by eMedNY that contains the status of claim transactions processed by eMedNY during a specific reporting period. Statements contain the following information:

- A listing of all claims (identified by several items of information submitted on the claim) that have entered the computerized processing system during the corresponding cycle
- The status of each claim (denied, paid or pended) after processing
- The eMedNY edits (errors) that resulted in a claim denied or pended
- Subtotals and grand totals of claims and dollar amounts
- Other pertinent financial information such as recoupment, negative balances, etc.

The General Remittance Advice Guidelines contains information on selecting a remittance advice format, remittance sort options, and descriptions of the paper Remittance Advice layout. This document is available at www.emedny.org by clicking: General Remittance Billing Guidelines.
