

**ATTACH ORIGINAL VOIDED CHECK HERE**

**1. Attach one of the following banking documents to the first page of EFT Authorization Form:**

- a. **For Checking Accounts:** An **original** blank check from the checking account to which the funds are to be transferred. The word "VOID" must be written across the face of the check. The check must be preprinted.
- b. **For deposit-only checking accounts** (and you do not have checks) **or a savings account:** Submit an **original** letter from a bank officer. The letter must be on bank letterhead, signed by a bank officer, notarized by a notary public, and include the following information:
  1. the bank's name and address
  2. routing number
  3. the type of account
  4. account number
  5. the account owner's name
  6. owner's address
  7. owner's tax id

**2. Mail the EFT Authorization form and all attachments (pages 1-2) to:**

EFT Processing  
P.O. Box 4616  
Rensselaer, NY 12144-4616

**EFT Authorization Forms that do not comply with these instructions will be rejected.**

Questions about form completion should be directed to the eMedNY Call Center.

### **Instructions for Electronic Funds Transfer (EFT) Enrollment/Change/Cancellation**

## ELECTRONIC FUNDS TRANSFER AUTHORIZATION FORM

3. To successfully authorize the use of Electronic Funds Transfer for the depositing of New York Medicaid funds, providers and group practices must perform all steps listed below.

**\*\* NOTE: All Sections of the EFT form must be complete and legible; otherwise the request will not be processed and returned to the provider. \*\***

### Provider Information

**Step 1.** Enter the providers'/organizations' name and address exactly as it was filed with Medicaid. This is the address as it appears on your current checks and remittance statements, if any. If you are unsure of the name and address on file with Medicaid, contact the eMedNY Call Center at 1-800-343-9000.

### Provider Identifiers Information

**Step 2.** Enter the providers'/organizations' Social Security Number or Tax ID supplied to Medicaid at the time of enrollment.

**Step 3.** Complete one of the following based on your provider type.

- **For Individual Providers:** Enter the MMIS Provider ID or NPI in the applicable section. Enter only one provider number per application form.
- **For Multiple Providers:** Providers with multiple provider numbers (Medicaid number or NPI) must submit a signed attachment on original letter head listing all MMIS ID's and NPIs to be placed on EFT.
- **For Group Practices:** Enter the group NPI if payment is made to a group practice. Enter only one provider number per application form. **Provider Groups that receive payments under the Group number need only complete a single enrollment form for the Group NPI.** However, members of Provider Groups who also bill individually may enroll by submitting a separate enrollment form using their individual Provider number.

### Provider Contact Information

**Step 4.** Provide a contact name, telephone number, and email.

### Financial Institution Information

**Step 5.** Enter the name and address of the banking institution to which funds are to be transferred.

**Step 6.** Enter the routing number and account number for the checking or savings account to which funds are to be transferred. Both numbers can be found at the bottom of your check or letter from a banking officer.

**NOTE:** Providers must proactively contact their financial institution, not eMedNY, to arrange for the delivery of the CORE-required Minimum CCD+ Data Elements necessary for the successful reassociation of the EFT payment with the ERA (835) remittance advice.

More information on CCD+/835 banking reassociation is available at CAQH/CORE:

<https://www.caqh.org/sites/default/files/core/Payment-Remittance-Reassociation-CCD-835-Rule.pdf?token=zTFBA9pK>

### Submission Information

**Step 7.** The form must be completed with an original signature of the provider or designated practice or business representative and date signed. Requests from individual practitioners must be signed by the practitioner. Requests from groups, business, or institutions must be signed by an authorized representative. The Title of provider or practice or business representative must be indicated.

## ELECTRONIC FUNDS TRANSFER AUTHORIZATION FORM

### Instructions to Change Banking Information

To change banking information, providers must send the following:

1. Complete an EFT Authorization Form with the new banking information. The form must be signed with an original signature and title must be indicated.
2. Attach a defaced/voided check with the new account number and routing number to the new authorization form. If the account is a "deposit only" account, attach a signed, notarized letter from your banking institution indicating the new account number and routing number. **Regardless of what is being updated, both the account number and routing number must always be indicated.**
3. Attach a letter indicating changes to your account to the new authorization form. The letter must be on company letterhead and include any provider number(s) (MMIS and NPI), new account number and routing number and a brief explanation for the change. The letter must have an original signature and title must be indicated.

Payments will automatically transfer back to paper for a two week time frame while your EFT is being set up on your new account.

To avoid a delay in payment please DO NOT close your old account until your new account is set up and receiving payments.

### Instructions to Cancel EFT Transactions

To cancel EFT transactions:

1. Submit a written notice, including the provider number(s), applicable MMIS and/or NPIs, to the address on page 1.
2. Verify your Pay-to Address on file is correct by calling the eMedNY Call Center at 1-800-343-9000. If the address needs to be updated, a Change of Address Form is available at [www.emedny.org](http://www.emedny.org).

Allow 3-4 weeks to transition to a **paper check**.

### What to Expect

Allow a minimum of 6-8 weeks for your request to be processed. During the process period a test transaction for one cent will be transferred to your account.

Medicaid funds are normally scheduled to be transferred on Wednesday afternoons. Due to normal banking procedures, the funds may not become available in the provider's chosen account for up to 48 hours from the initial transfer. Contact your banking institution with questions about the availability of funds.

**NOTE: EFT does not waive the two week lag for release of Medicaid payments.**
