

Additional Information for Enrollment as a Transportation Provider in New York Medicaid

CATEGORY OF SERVICE (COS)	DESCRIPTION	ENROLLMENT REQUIREMENTS To be submitted with the Enrollment Form
0602	Ambulette - An entity which transports the infirm or disabled by ambulette to and from facilities which provide medical care.	<p>Important: Under current Medicaid guidelines, potential Medicaid ambulette providers are denied enrollment in the Medicaid program when the proposed service will operate in New York City, and/or Nassau and/or Suffolk County as it has been determined by the New York State Department of Health that these locations have an adequate number of existing ambulette providers.</p> <p>The moratorium will lift 12/01/2021. This supersedes the previous guidance and allows ambulette companies to enroll in Category of Service 0602 across all counties (contingent on the provider meeting other enrollment criteria).</p> <p>Previously denied applications will not be automatically processed. If an ambulette provider submitted an application prior to December 1, they may reapply starting December 1.</p> <ol style="list-style-type: none"> 1. From the NYS Department of Transportation submit either: <ol style="list-style-type: none"> a) Common Carrier Certificate b) Contract Carrier Permit 2. From the NYS Department of Motor Vehicles submit your Letter of Compliance with Article 19A (dated on or after the most recent July 1) 3. If Transporting in Nassau County submit either: <ol style="list-style-type: none"> a) Registration Decal(s) from the Taxi & Limousine Commission (TLC) in Nassau County b) New York City Paratransit Base License (can substitute for the Nassau County decal)
