Pediatric Planar Seating Frequency Update for Durable Medical Equipment, Prosthetics, Orthotics, and Supplies (DMEPOS) Providers

Pediatric Planar Seating Frequency Update for Durable Medical Equipment, Prosthetics, Orthotics, and Supplies (DMEPOS) Providers

Effective January 1, 2026, the frequency parameters for pediatric planar seating will be aligned to seating frequencies for adult wheelchairs. The changes are as follows:

Code	Description	Current Frequency	New Frequency
E2291	Back, planar, for pediatric size wheelchair including fixed attaching hardware	once/5 years	once/2 years
E2292	Seat, planar, for pediatric size wheelchair including fixed attaching hardware	once/5 years	once/2 years

These changes will be added to the DME Procedure Codes and Coverage Guidelines manual with the next update.

Questions related to this update should be directed to the Bureau of Medical Review at 1-800-342-3005 or by email at OHIPMEDPA@health.ny.gov.
