Transition of Dental and Orthodontia Coverage from Fee for Service to Medicaid Managed Care Training for Providers

On June 12th the New York State Division of Health Plan Contracting & Oversight hosted a webinar to share information with providers about the transition of dental and orthodontia Medicaid coverage into Medicaid Managed Care. To locate the Webinar presentation material [click here](#) and view links under:

- MRT 1458: Care Management Population and Benefit Expansion, Access to Services, and Consumer Rights

Dental becomes part of the Medicaid Managed Care benefit package effective **July 1, 2012**. Orthodontia comes in to the Medicaid Managed Care benefit package effective **October 1, 2012**.

In the near future, a question and answer document will be posted as resulted from questions asked during/after the webinar. This Q&A document will be located on the same page as the webinar under MRT1458 links.
