### Important Notice Regarding New Managed Care Nursing Home (NH) Rate Codes (1821 - 1826)

New York State Department of Health (NYSDOH) is yet to receive an approval for the new Managed Care Nursing Home (NH) Rate Codes (1821 - 1826) from CMS. In the meantime, the MMC plans are instructed to continue submitting their capitation claims for clients with N1-N5 Restriction/Exception code, using the mainstream managed care rate codes. Once CMS approves the NH rate codes, NYSDOH will initiate a retroactive claims adjustment for all the affected claims.

This will cause the processing of the paid capitation claims in history under the new NH Rate codes resulting in payment adjustment.
