Updated MCE 834 Companion Guide

Updated MCE 834 Companion Guide

An updated version of the eMedNY MCE 834 Companion Guide (version 3.1) is published on the eMedNYHIPAASupport page. Changes being planned with this release include updates to multiple Code Lists, including the RRE Codes, Aid Category Code and COE codes. These new codes, resulting from multiple projects, will be promoted over the next six months, starting **April 20, 2023 through Fall 2023**. For specific release dates, refer to the TI Change Summary Section of the MCE 834 CG.
