### Outreach to CDPAP Consumers and Caregivers Ahead of April 1 Transition to Statewide FI

On April 1, 2025, the New York State Consumer Directed Personal Assistance Program (CDPAP) will transition to a Statewide Fiscal Intermediary (SFI), [Public Partnership LLC \(PPL\)](#).

**Please support the NYS Department of Health's ongoing effort to educate consumers and caregivers on the critical need to register with PPL prior to the April 1, 2025 transition date.** For an overview of the program and information about how to support consumers and caregivers through this transition, the [PPL website](#) and the NYSDOH [Consumer Directed Personal Assistance Program \(CDPAP\)](#) website both have great information and resources.

Marketing materials to share with your respective stakeholder audiences have been attached. Electronic versions of these attachments can be found at the links below:
