1/1/2026 Minimum Wage Increase

## 1/1/2026 Minimum Wage Increase

The January 1, 2026 Minimum Wage increases for Peer Mentoring, Respite, and Home and Community Support Services have been loaded into the eMedNY system as of **cycle 2530**.

Providers don't need to do a thing. The system will automatically perform a positive retroactive rate adjustment for any previously paid claims submitted with a date of service on or after January 1, 2026 and **providers will receive the additional funds as part of their cycle 2530 regular claim checks**.

Updated fee schedules can be found on the DOH [NHTD](#) and [TBI](#) websites. Any issues or questions should be directed to [1915CR@health.ny.gov](mailto:1915CR@health.ny.gov).
