### Reminder: Billing Instructions for 340B Drug Claims

The NYS Medicaid program uses HRSA's Medicaid Exclusion File to identify 340B claims from 340B providers that must be removed from the rebate stream, thereby avoiding duplicate discounts.

**However, additional identifiers are required at the claim submission level for ALL 340B drug claims, both Fee-for-Service and Managed Care.**

340B claims submitted in 837I or 837P format **must** include a **UD modifier**. Inclusion of the UD modifier helps to avoid duplicate discounts on 340B Medicaid claims.

Medicaid 340B policy questions should be sent via e-mail to [PPNO@health.ny.gov](mailto:PPNO@health.ny.gov)

Billing questions should be directed to the eMedNY Call Center at (800) 343-9000.
