### CORRECTED ICD-10 News: Less Than One Year Out Provider Webinar

**The links in this message for webinar registration have been corrected.**

CMS is encouraging the health care industry to take advantage of the numerous resources for checking progress and any actions that may be needed because the October 1, 2014 is quickly approaching. To help support providers and other health care organizations, CMS is offering new resources and a webinar on ICD-10 readiness during November.

#### ICD-10 eHealth Provider Webinar

On **Tuesday, November 19, at 12:00 noon, ET**, CMS is hosting a webinar to discuss the ICD-10 transition and how providers can prepare. This webinar will feature resources, steps to take to get ready, and information about ICD-10 and the implementation process.
