eMedNY Enrollment Revalidation Webinars Available

Revalidation webinars are planned for this quarter. New York State Medicaid sends a notification to providers when enrollment revalidation is required. This course on Revalidation is intended to familiarize providers and their staff with the Medicaid enrollment revalidation process and review the resources available to accomplish revalidation successfully.

If you received a notification that it's time to revalidate, consider attending a Revalidation webinar.

Registrations for Revalidation webinars are currently being accepted for the following sessions:

- **April 26, 2019 at 10:30 AM**
- **April 30, 2019 at 1:30 PM**

Webinars are a convenient training alternative that allow providers to attend training from their own location using their own computer and telephone rather than traveling.

Click [here](#) to view the training schedule and register today. Refer to the training schedule for future sessions that may be added. Questions can be directed to the eMedNY Call Center at 800-343-9000.
